Fri. Nov 8, 8 pm
Sat. Nov 9, 8 pm
Sun. Nov 10, 7:30 pm

Groundswell

This fall, the **Preservation Society** came together with Groundswell and 40 other institutions to purchase 100% renewable energy to power our buildings. By pooling our purchasing power through the Community Power Program, we were able to leverage our group strength to get a lower price on clean energy than we could achieve on our own. We negotiated prices that were up to 17% lower than standard utility rates and we are excited to reinvest these cost savings into our work while simultaneously supporting wind energy development. With the clean energy we purchased, our group will take the carbon dioxide equivalent of almost 3,000 cars off the road for a year.

Now you, too, are eligible for the same green savings. To learn more about this great program or to sign up, we invite you to call Groundswell. Their number is: 712-432-3100.

The PACKET is a publication of *The Preservation Society*, 812 S. Ann St., Baltimore, MD 21231 ~ 410.675.6750.
